European Service

This is not a maintenance policy and therefore, does not cover the cost of parts or the cost of non-emergency repair work, such as routine servicing or diagnostic tuning. The cover is designed to help keep **you** and **your** party mobile during the journey or holiday period abroad. It is not a replacement for a car insurance policy and does not provide cover for bodywork repairs following an accident or theft.

It is not always possible to provide automatic hire cars or accessories such as bike racks, luggage racks or tow bars.

We will arrange and pay for the following:

1. Immediate emergency roadside help following a **breakdown**. The most we will pay will be £200 in any one travel period. If **your vehicle** cannot be repaired quickly at the scene of the **breakdown** we will arrange and pay to take **your vehicle** and 7 passengers to a nearby garage for it to be repaired at **your** cost. This includes the cost of replacement parts up to a maximum of £100, but excluding parts subject to routine maintenance or periodic repair or replacement such as tyres, batteries, exhaust systems.
2. If **your vehicle** is out of use for a period of more than 8 hours as a result of a **breakdown** or due to death, injury or serious illness of the only available driver, we will arrange and pay for the following costs and expenses as long as they are as a direct result of the **breakdown** or illness. (In the case of illness a doctor's report will be required).
 - a) The cost of recovery of **your vehicle** to the nearest garage or railway.
 - b) Freight costs to obtain any replacement part, which is not available locally.
 - c) The cost of one of the following:
 - Hiring one replacement vehicle up to £100 per day and £1,800 in total.

 - Second class rail fares so that **you** and **your** party can finish **your** journey or return home.
 - Extra hotel accommodation costs for **you** and each member of **your** party, up to £40 per person per day, incurred during the journey to and from the holiday location, up to a maximum of 5 days. (We will not pay for meals or drinks).
 - d) The cost of recovering **your vehicle** to **your** home if it cannot be repaired before **your** planned return date. The maximum we will pay under this Policy to repatriate **your vehicle** will be limited to its current market value in the UK Area or we will pay costs incurred in travelling from **your home**, or holiday location, to the scene of the **breakdown** to collect **your vehicle** after repair. (Such cost must not be more than economy class airfare plus miscellaneous additional expenses not exceeding £150).
 - e) The cost of emergency repairs to secure **your vehicle** in the event that it is damaged by attempted theft or break-in up to a maximum of £150. (A police report will be required).
 - f) The cost of hiring a replacement vehicle up to £200 if **your vehicle** is still out of use when **you** return to the United Kingdom.
 - g) The cost of necessary telephone calls up to a maximum of £15.

If this situation arises, we reserve the right to conduct negotiations direct with the car insurers.
