Breakdown or is involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If your vehicle breaks down or is involved in a road traffic collision on a French motorway, motorway service area, or other European private motorway, you must use the roadside emergency telephones as we cannot send assistance. If the vehicle is recovered by the police or authorised motorway services, you may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will reimburse these charges as long as the vehicle is towed to the recovery company’s depot. This may also apply to other roads, so we recommend you use the emergency phones where available. If they will not send a breakdown recovery vehicle, you should contact us.

   b) for hire cars, whilst reputable companies are used, we are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
Your Cover
Section D: European Motoring Assistance

7. If, following a breakdown, the vehicle needs to be repaired, you must not delay or refuse repairs whilst you are in Europe. If you do, and in our reasonable opinion that would lead to additional costs being incurred, we reserve the right to refuse to provide cover under Section D3 (Onward travel in Europe) or Section D4 (Getting your vehicle home);

8. If the breakdown or road traffic collision is caused by flooding brought about by adverse weather we will only arrange for the vehicle to be taken to a local repairer. All further service will be an additional cost paid by you, or must be referred to John Lewis Finance;

9. In handling breakdown call-outs there may be more than one option available to you under this John Lewis Finance Breakdown Cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with you, and act reasonably at all times;

10. This John Lewis Finance Breakdown Cover does not cover:
   a) vehicle storage charges, other than under Section D4;
   b) call-outs if you are not carrying a serviceable spare tyre, the tyre repair equipment provided by the manufacturer or a locking wheel nut;
   c) the hire of minibuses, motorhomes, motorcycles, caravans, trailers or vans;
   d) overloading of a vehicle under the laws in any country in which the vehicle is travelling;
   e) breakdowns or road traffic collisions caused by running out of oil or water, frost damage or rust or corrosion.
General Conditions

The following conditions apply to all sections of this John Lewis Finance Breakdown Cover. If you do not comply we can refuse cover and/or cancel your John Lewis Finance Breakdown Cover.

1. You must pay your premium.
2. You must request services directly from us, as we will only provide cover if we make arrangements to help you.
3. Where the breakdown is caused by a component failure this must stop the vehicle from working, so for example an air-conditioning failure in itself does not constitute a breakdown, and the illumination of a warning light does not always constitute a breakdown. If it does not, you will need to take your vehicle to a place of repair and your John Lewis Finance Breakdown Cover will not cover this.
4. We will not cover any claim where the vehicle is already at a garage or other place of repair.
5. Where we deem, acting reasonably, that you requested service to avoid the cost of repairing the vehicle, or to correct an attempted repair by someone else, we will not provide cover.
6. A driver must be with the vehicle when we attend.
7. You are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a vehicle. We will not be responsible for any loss of or damage to them.

11. Where we provide a repair to the vehicle, whilst we are responsible for that repair, this does not mean that we are confirming the legal and roadworthy condition of the vehicle. This remains your responsibility.
12. We will not be responsible for any losses that may incur following a breakdown that are not expressly covered by this John Lewis Finance Breakdown Cover. For example, we will not pay for any loss of earnings or missed appointments.
13. We do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst we will try to check that the garage will undertake the type of repairs required, we cannot guarantee this. We will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between you and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, our services can be interrupted. We will resume our service to you as soon as we can in these circumstances.
15. The cost of the following is not covered by this John Lewis Finance Breakdown Cover:
   a) specialist equipment;
   b) ferry charges for the vehicle and our vehicle;
   c) any damage to glass even if the damage means the vehicle cannot be legally or safely driven. We will arrange transport to a local garage so you can arrange to get the vehicle fixed but you will have to pay for this;
   d) spare tyres and wheels and repairing or sourcing them; or
   e) recovery by someone other than us even if this is requested by the emergency services. We will only provide recovery once instructed to do so by the emergency services.
16. In handling any claim there may be more than one option available to the driver under this John Lewis Finance Breakdown Cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with the driver, and act reasonably at all times.
