Your John Lewis Home Insurance Policy Wording – Premier Select Cover

Understanding your policy

The policy is in two parts – the Policy Wording and the Policy Schedule. The Policy Wording explains what is and what is not covered, how claims are settled and other important information.

Within each section of cover, the first column will tell you what the cover includes. The second column will tell you what it does not cover.

Please read ‘How we settle claims’ on pages 28–29 and the policy exclusions on page 29 and the policy and claims conditions on page 27.

There are conditions of the insurance that you or your family will need to meet as your part of this contract on page 26. These conditions set out the changes in circumstances that could affect your cover and when we would cancel your policy. Please take the opportunity to read the policy conditions.

The Policy Schedule shows which sections of cover from the policy apply, the amount insured and the premium. Please keep the Policy Schedule with the Policy Wording.

A new Policy Schedule will be sent whenever a change is made to the insurance so that you can check that the cover still meets your needs.

If you have any questions, please contact us. Telephone numbers and other contact details are shown on page 4.

Once you receive the Policy Wording, you have 14 days to make sure that the cover is exactly what you need. If you need to make any changes, please contact us as soon as possible.

Words with special meanings

Some words have a special meaning in the policy and these are listed below. Whenever a word with a special meaning is used in the policy, it will be printed in bold type.

There are other words with special meanings listed under the Legal Expenses Option on page 22. You should also look at these if you have selected this Option.

**Insurance period**
The period shown on your Policy Schedule and any further period for which you have paid or have agreed to pay and we have accepted or agreed to accept your premium.

**We/our/us**
Royal & Sun Alliance Insurance plc.

**You/your/policyholder**
The person(s) named as policyholder on your Policy Schedule.

**Your family**
You or any of the following people, providing they normally live with you:
- your husband, wife or partner,
- your children (including foster children and adopted children),
- your relatives,
- your domestic employees (person(s) employed to carry out domestic duties associated with your home).

**Inflation protection**
The sum insured under Personal Possessions shown on the Policy Schedule will be adjusted in line with a recognised index.

No extra charge will be made for any increase until the renewal of the policy, when the renewal premium will be based on the adjusted sum insured and limits.

For your protection, we will not reduce the sum insured or limits if the index moves down unless you ask us to.

The insurance contract

This policy is a legal contract between you and us. The Policy Wording and Policy Schedule make one document and must be read together. Please keep them together.

The contract is based on the information that you provided when you applied for the insurance.

Our part of the contract is that we will provide the cover set out in this Policy Wording for:
- those sections that are shown on the Policy Schedule;
- the period of insurance set out on the Policy Schedule.

Your part of the contract is that you must:
- pay the premium as shown on the Policy Schedule;
- comply with all the conditions set out in this policy.

If your part of the contract is not met, we may turn down a claim, increase the premium or you may find that you do not have any cover.

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland), both you and we may choose the law which applies to this contract, to the extent permitted by those laws.

This Option sets out the cover provided for buildings. If this section has been provided, it will be shown on the Policy Schedule as included unless the Schedule states ‘Not insured under this policy’.

Exclusions

Exclusions applying to the Legal Expenses Option

The exclusions below apply to all the cover which the insurer provides under this Legal Expenses Option. You should also refer to the specific exclusions shown under each part of the Legal Expenses Option on pages 23–24 and to the general policy exclusions shown on page 29 of this policy.

What is not covered

1. Any claim where there is not a reasonable chance of you winning the case and achieving a reasonable outcome.
2. Any event, dispute or cause of action that first happened or started before you took out this insurance.
3. Any event which you report to us more than 6 months after it happened.
4. Legal expenses which apply to the period before we have agreed in writing to support your claim.
5. Legal proceedings where a reasonable estimate of your total legal expenses is greater than the amount in dispute.
6. Any legal expenses you could claim under any other insurance.
7. Any legal proceedings over loss or damage covered under a specific insurance policy.
8. A dispute about either the amount an insurance company should pay to settle an insurance claim or the way a claim should be settled.
9. Defending legal proceedings that are connected with:
   • death, disease or illness of, or bodily injury to anyone,
   • your duties as a member of a profession or your duties as a director or officer of any company,
   • the loss or destruction of or damage to any property. (This includes property which cannot be used because of the loss, destruction or damage.)
10. Any application for judicial review.
11. Any legal proceedings between any members of your family. (This does not apply to accidents involving motor vehicles.)
12. Any legal proceedings between you and your husband, wife or partner or former husband, wife or partner. This includes legal proceedings relating to custody, access or maintenance.
13. Defending any criminal proceedings or legal proceedings arising from anything you did deliberately or recklessly.
14. Any dispute with us or the insurer that is not dealt with under the arbitration condition on this page.

Policy conditions that are specific to the Legal Expenses Option

You will need to meet the policy exclusions on page 29 and the policy conditions on page 26 as these conditions apply to the whole policy. In addition, for this Option you must also meet the following conditions.

1. Preventing legal proceedings
   You must take all reasonable measures to prevent or avoid being involved in legal proceedings and keep the cost as low as possible.
   The Legal Advice Helpline is available 24 hours a day, 7 days a week, to provide you with advice concerning your problem.

2. Arbitration
   If there is a dispute between you and us or the insurer about this Option of the policy, it can be taken to an independent arbitrator.
   The arbitrator will be a solicitor or barrister and we agree to.
   If we cannot agree with you on an arbitrator, the President of the Law Society (or similar organisation within the appropriate territorial limits) will choose an arbitrator.
   The side that loses the arbitration will pay all the costs of the arbitration. If the decision is not totally in favour of one side, the arbitrator will decide who pays the costs. If you lose, the policy will not cover these costs.

Claims conditions that are specific to the Legal Expenses Option

You will need to meet the claims conditions set out on page 27 as these conditions apply to the whole policy. In addition, for this Option you must also meet the following conditions.

1. Telling us about the claim
   If anything happens which might lead to a legal expenses claim, you must tell us as soon as possible by filling in a claim form. You must tell us fully and truthfully in writing all the details about your claim and give us all the information that we may need. Until you have told us about the claim and we have given our written agreement, the insurer will not be responsible for any legal expenses. The insurer will not cover legal expenses involved in your representatives handling the claim before the date when we give our written agreement. You must have told us about the claim within 6 months of the cause of action arising.
2. Giving our agreement
We will agree if all of the following apply:
• we think you have a reasonable chance of winning your case and achieving a reasonable outcome,
• the legal proceedings arise from a cause of action which is covered by this insurance. This cause of action must happen within the territorial limits and during the insurance period,
• the legal proceedings will be dealt with in a court within the territorial limits,
• you have kept to the terms and conditions of the policy and none of the exclusions listed on page 24 of this booklet apply.

In circumstances where we have chosen a representative to act on your behalf, we will pay legal expenses incurred for providing the initial assessment of the claim irrespective of the prospects of success or whether the claim is covered under this policy.

Where you have chosen your own representative, any legal expenses incurred in providing initial assessment shall only be covered where there are reasonable prospects of successfully pursuing or defending the legal proceedings and the claim is covered under all other terms and conditions of the policy.

The decision to grant consent will take into account the advice of your representative as well as that of our own advisors. We may require, at your expense, an opinion of counsel on the merits of the legal proceedings. If the claim is subsequently admitted, your costs in obtaining such an opinion and providing such advice will be covered under this insurance.

If, during the claim, we think that there is no longer a reasonable chance of your winning the case and achieving a reasonable outcome, we may not continue to support your legal proceedings.

If we do not carry on with your claim, we will tell you why.

If you decide to commence or continue legal proceedings for which we have denied support under this Claims Settlement Condition and are successful, we will pay legal expenses as if we had given our consent in the first instance.

3. Choosing a representative
In the period before court papers need to be issued (or have been received), we may refer your case to a suitably qualified representative to act on your behalf.

At the point where court papers need to be issued (or have been received), or where there is a conflict of interest, you are free to choose a suitably qualified representative.

You will need to satisfy us that your representative has the appropriate experience and skills to handle your claim.

Where we agree to the appointment of a representative of your choice, you must confirm that your representative will not charge more than a representative chosen or suggested by us. We will not pay your choice of representative more than we would pay our own choice of representative.

In selecting the representative, you shall have a duty to minimise the cost of legal proceedings. If your choice of representative has to undertake work to familiarise themselves with the work already undertaken on the case, we will not pay for this work to be done. Any representative you choose is appointed to act for you.

If we and you cannot agree whether court papers need to be issued or the choice of representative, you can take the matter to an independent arbitrator. This process is set out on page 24.

4. Rights and responsibilities
You must tell us if an offer is made to settle the dispute. You must not negotiate or agree to settle the dispute without getting our agreement beforehand. If you do not accept a reasonable offer to settle the dispute, we may not continue to support your claim.

You must send us all bills for the representative’s legal expenses as soon as you receive them. You must confirm to us that any charges you have to pay for the representative handling this dispute are acceptable and that we may pay the bill for you.

You and your representative must take every step to recover legal expenses. You must pay any recovered legal expenses to your representative who must then refund any legal expenses which the insurer has paid or has been asked to pay.

If the insurer pays legal expenses up to the policy limit and you pay more legal expenses to end your case, the insurer and you will share any legal expenses that are recovered. The insurer and you will each receive the same percentage as originally paid.

5. Information your representative will need from you
You must give your representative all the information and help he or she may need. This will include a truthful account of the facts of your case and any paperwork to do with your case. You owe the same obligations to us as to your representative.

6. What you and your representative must do for us
We must be able to contact your representative. You and your representative must cooperate and tell us about developments to do with your case. If we ask for this, we must be able to have access to your representative’s files. This includes the truthful account of the facts of your case and any paperwork you have supplied to your representative.

If your representative wants to consult a barrister or expert witness, we will agree if we think it is reasonable. You must give us the name of the barrister or expert witness, and the reasons why you need one.

7. Appealing against a court’s decision
If you want to appeal against a court’s decision, you must give us your reasons for bringing the appeal. We will give you our agreement if all of the following apply:
• you tell us that you want to appeal as soon as your right of appeal arises. This is because strict time limits may apply,
• the appeal arises from legal proceedings to which we have already given our agreement under the terms of Claims Condition 2 on this page,
• your appeal meets the requirements of Claims Condition 2 in the same way as your initial claim for legal expenses.

8. What action we may take
We may take over, in your name, all legal action in any of the following circumstances:
• if the dispute is for an amount which is under £5,000 or if the dispute could be dealt with by the small claims court,
• if you take legal action against someone or defend a case without our agreement, or in a different way from that advised by your representative,
• if you do not give proper instructions to your representative or barrister in time,
• if you cause a delay and your representative thinks it will harm your case.

In these circumstances, we may carry out our own investigation and try to settle your dispute. You must agree to a settlement which is reasonable. If we ask, you must tell your representative to get the court to tax your legal expenses, or get the Law Society to certify them according to the Solicitors Act 1974 or the Solicitors Remuneration Order 1972.

If you withdraw from defending a full enquiry by HMRC without our agreement, we will be entitled to recover from you any amounts the insurer paid during the defence.
Policy conditions

These are the conditions of the insurance that you and your family will need to meet as your part of this contract. There are other separate conditions of insurance applicable to the Legal Expenses Option on page 24. If you do not meet these conditions, we may need to reject a claim payment or a claim payment could be reduced. In some circumstances, your policy may not be valid.

Taking care
Your family must take all reasonable steps to avoid incurring liability and prevent loss or damage to everything which is covered by this insurance and to keep all the property which is insured in good condition and in good repair.

Changes in your circumstances
Using the address on the front of the Policy Schedule, you must tell us within 30 days as soon as you know about any of the following changes:
- you are going to move home permanently,
- someone other than your family is going to live in the home,
- the home is going to be used for short periods each week or as a holiday home,
- the home is going to be unoccupied. For the purposes of this condition unoccupied means your home is going to be left without any occupants for more than a total of 60 days in any insurance period,
- work is to be done on the home which is not routine repair, maintenance or decoration, for example, any structural alteration or extension to the home,
- the number of bedrooms in the home has changed,
- you or any member of your family has received a conviction for any offence except for driving,
- any part of the home is going to be used for any trade, professional or business purposes.

There is no need to tell us about trade, professional or business use if:
- the trade, professional or business use is only clerical, and
- you do not have staff employed to work from the home, and
- you do not have any visitors to the home in connection with your trade, profession or business.

We may reassess your cover and premiums when we are told about changes in your circumstances. In certain circumstances your policy might be invalid, the policy may be cancelled and you may be entitled to a refund of premium. If you do not tell us about changes or give us incorrect information, the wrong terms may be quoted and we will be entitled to reject payment of a claim or a payment could be reduced. In certain circumstances, your policy might be invalid, the policy may be cancelled and you may not be entitled to a refund of premium.

Fraud
If dishonesty, exaggeration or false documentation is used by your family or anyone acting on behalf of you or your family to obtain or support:
- a claims payment under your policy,
- cover for which you do not qualify,
- cover at a reduced premium,
all benefits under this policy will be lost, the policy may be invalid, you may not be entitled to a refund of premium and legal action may be taken against you.

Transferring your interest in the policy
You cannot transfer your interest in this policy to anyone else without our written permission.

 Cancelling the policy
If you wish to cancel your policy, please write to us at the address or call the number shown on your Policy Schedule. If you cancel the policy, you may be entitled to a refund of premium provided that no claim has been made during the current insurance period.

Where we have identified serious grounds, we will contact you at your last known address and, where possible, seek an opportunity to resolve the matter with you. Where a solution cannot be agreed between us and you, we may cancel the policy by giving you 30 days notice.

By serious grounds we mean the use or threat of violence or aggressive behaviour against our staff, contractors or property. This will not affect your right to make a claim for any event that happened before the cancellation date. If we cancel the policy, we will refund premiums already paid for the remainder of the current insurance period.

We also reserve the right to terminate the policy in the event that there is a default in instalment payments due under any linked loan agreement, by giving you 14 days notice at your last known address.

Cancelling the monthly premium instalment agreement
Your policy has a normal insurance period of 12 months and your legal contract with us is for this period. You may have asked and we may have agreed for your annual premium to be paid on a monthly basis by instalments under the terms of the Consumer Credit Act 1974.

We reserve the right to terminate the policy in the event that there is a default in instalment payments due under any linked loan agreement. If you want to cancel your linked loan agreement but not your policy you must contact us at the address given on the front of your Policy Schedule. We can then tell you how much you will have to pay for the rest of the insurance period. If this amount is not paid by the date given in our reply to you, then all cover under your policy will be cancelled from this date.

Financial sanctions
We will not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy where doing so would breach any prohibition or restriction imposed by law or regulation.

If any such prohibition or restriction takes effect during the insurance period, we may cancel this policy immediately by giving you written notice at your last known address. If we cancel the policy, we will refund premiums already paid for the remainder of the current insurance period, provided that no claims have been paid or are outstanding.
Claims conditions

These are the claims conditions that you and your family will need to keep to as part of this contract. If you do not meet these conditions, we may need to reject a claim payment or a claim could be reduced.

If anything happens which might lead to a claim, you should take any immediate action that you think is necessary to protect your property and belongings from further damage. The sooner you tell us, the better. In some cases, there are other people you must contact first.

When an incident occurs which may result in a claim, you must also read the information on ‘How to make a claim’ on pages 28–29.

You should also check the information on ‘How we settle claims’ for each Option of your policy which covers the loss or damage, for example, Contents and Buildings.

What you must do

If you or your family are the victim of theft, riot, a malicious act or vandalism, or if you or your family lose something away from the home, tell the police immediately upon discovery and ask for a crime reference number and tell us as soon as you can, or in the case of riot, tell us immediately.

If you wish to make a claim under Home Emergency, you must report any situation to us immediately upon discovery.

If someone is holding any of your family responsible for an injury or any damage, no one in your family must admit responsibility. Give us full details in writing as soon as you can and any claim form, application notice, legal document or other correspondence sent to your family must be sent to us straightaway without being answered.

For all other claims, tell us as soon as you can.

You should do all we reasonably ask you to do to get back any lost or stolen property.

Do not throw away any damaged items before we have had a chance to see them, or carry out any non-emergency repairs before we have had a chance to inspect them.

To help us deal with your claim quickly, we may require additional information which may include the following:

- original purchase receipts, invoices, instruction booklets or photographs,
- purchase dates of lost or damaged items,
- for damaged items, confirmation by a suitably qualified expert that the item you are claiming for is beyond repair.

Rights and responsibilities

We may need to get into a building that has been damaged to salvage anything that we can and to make sure that no more damage happens. You must help us to do this but you must not abandon your property to us.

You must not settle, reject, negotiate or offer to pay any claim that you have made or intend to make under this policy without our written permission. We have the right, if we choose, in your name but at our expense to:

- take over the defence or settlement of any claim,
- start legal action to get compensation from anyone else,
- start legal action to get back from anyone else any payments that have already been made.

You must provide us with any information and assistance that we may reasonably require about any claim. You must help us to take legal action against anyone or help us to defend any legal action if we ask you to.

When you call us we will advise you of our requirements, which will either:

- ask you to get estimates for building repairs or replacement items, or
- arrange for the damage to be inspected by one of our Claims Advisors, an independent loss adjuster or other expert whose aim is to help us agree a fair settlement with you, or
- arrange for the repair or a replacement as quickly as possible.

Where we have asked you for specific information relevant to your claim, we will pay any reasonable expenses you incur in providing us with the above information.

Other insurance

If you claim under this policy for something which is also covered by another insurance policy, you must provide us with full details of the other insurance policy. We will only pay our share of any claim.

How to make a claim – call us on 0845 078 3838.

Claims conditions require you to provide us with any reasonable assistance and evidence that may be required concerning the cause and value of any claim. Ideally, as part of the initial notification, we will need to know:

- your name, address and home and mobile telephone numbers,
- personal details necessary to confirm your identity,
- the policy number,
- the date of the incident,
- the cause of the loss or damage,
- details of the loss or damage together with claim value (if known),
- police details where applicable,
- names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

How to make a claim

This information will enable us to make an initial evaluation on policy cover and claim value.

We may ask for additional information, depending upon circumstances and value, which may include the following:

- original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of your property,
- purchase dates and location of lost or damaged property,

where damaged property, confirmation from a suitably qualified expert that the item you are claiming for is beyond repair.

Where we have asked you for specific information relevant to your claim, we will pay any reasonable expenses you incur in providing us with the above information.

Sometimes we may wish to meet with you to discuss the circumstances of the claim, to inspect the damage or to undertake further investigations.

How we settle claims

For all claims except Legal Expenses

Matching sets, suites and carpets

Where items originally purchased as part of a set cannot be matched and an appropriate replacement cannot be sourced, we will pay for accompanying items from a bathroom suite, three-piece suite or kitchen unit (excluding kitchen appliances) if one individual item is damaged.

Where we cannot repair a damaged carpet, we will replace the carpet with a new one of similar quality through our preferred suppliers or, at our option, we will pay the replacement cost of a new one of similar quality.

If we cannot repair the damaged carpet, we will also replace any attached carpet (of the same colour, design and material) in any other parts of the home. However, we will not pay to replace any undamaged carpet in other parts of the home that is separated from the damaged carpet, for example, by means of a door or room divider.

In all other circumstances, an individual item from a matching set of articles is regarded as a single item. We will pay you for individual damaged items but not for undamaged companion pieces.

Where floor coverings, except carpets, are damaged beyond repair, only the damaged floor coverings will be replaced and not undamaged floor coverings in adjoining rooms.

For all claims except Home Emergency and Legal Expenses

Where you have to pay an excess, this will be taken off the amount of your claim.

How we settle claims for Buildings

We will pay for the cost of work carried out in repairing or replacing the damaged parts of your buildings and agreed fees and related costs.

The amount we will pay where repairs are carried out will not exceed the lesser of:

- the cost of the work had it been completed by our nominated contractor,
- the cost of the work based upon the most competitive estimate or tender from your nominated contractors.

If the repair or replacement is not carried out, we will pay the lesser of:

- the decrease in market value of your buildings due to the damage, the cost of the work had it been completed by our nominated contractor if the repair work had been carried out without delay,
- the cost of the work based upon the most competitive estimate or tender from your nominated contractors if the repair work had been carried out without delay.

No allowance will be made for VAT when a cash settlement is made.

Repairs carried out by our preferred suppliers and insured under the Buildings Option or the Buildings Accidental Damage Option of this policy are guaranteed for 12 months in respect of quality of workmanship.

Where the buildings have not been kept in a good state of repair or if the sum insured at the time of the loss or damage is less than the cost of rebuilding all the buildings in the same way, size, style and appearance as when they were new, including fees and related costs, we will pay the cost of repairing or replacing the damaged parts of the buildings and we will, where appropriate, take off an amount for wear and tear.

The most we will pay for any one claim, including fees and related costs, is the amount it will cost us to repair the damage to the buildings in the same way, size, style and appearance as when they were new, but not more than the sum insured shown on the Policy Schedule or the limits in this Policy Wording.

How we settle claims for Contents, Personal Possessions and Garden Options

Where the damage can be economically repaired, we will pay the cost of repair.

Where the damage cannot be economically repaired and the damaged or lost item can be replaced, we will replace it. If a replacement is not available, we will replace it with an item of similar quality.

Where we are unable economically to repair or to replace an item with an item of similar quality, we will agree a cash payment with you based on the replacement value.

Where we can offer repair or replacement through a preferred supplier, but instead you request and we agree to pay a cash settlement, then the amount will not normally exceed what we would have paid our preferred supplier.

We will not pay for any loss of value to any item which we have repaired or replaced.

The most we will pay for any one claim is the amount it will cost us to replace your insured under the Options that you have selected as new, but not more than the sum insured or any limits shown on the Policy Schedule or in this Policy Wording.

If loss or damage happens and the sum insured on the Policy Schedule is less than the cost of replacing your items as new, we will, where appropriate, take off an amount for wear and tear from the cost of the new item unless the item can be economically repaired, when only the cost of the repair will be paid.

How we settle claims for Home Emergency

The Home Emergency Option covers you against the costs of certain household situations, which you will find described under ‘What is covered’ in this Option. It does not cover everything which you might regard as an emergency. It does not cover normal day-to-day household maintenance or repairs which need to be carried out periodically, such as descaling water pipes or curing leaking taps.

If a permanent repair is necessary, the authorised tradesperson will carry it out provided that it can be effected at a similar expense. This cover may not provide the cost of full repair or replacement.

An authorised tradesperson is approved and instructed by us and is competent to provide domestic repair services appropriate to the situation. Payments will be made directly to our contractor.

Policy exclusions

These exclusions apply to all the Options of the policy with the exception of pollution or contamination and rot which do not apply to the Legal Expenses Option. This insurance does not cover the following:

Wear and tear
